Requirements

- A minimum of 5 rooms is required (if the group drops below 5 rooms, the booking will revert to regular bookings and the benefits will be lost)

- Depending on where you live, you will have a group manager from that region
- Turn around times for quotes is approximately 24-48 hours
- There are two different types of groups: group code or contract
 - Group code: consists of up to 25 rooms

 - With a group code the prices are subject to pricing when booked, prices are not locked in
 - Anyone can sell into the group code (multiple agents with the group code can sell into it), however it is capped at 25 rooms – in the event that it goes over 25 rooms then only one agent may be on the contract group
 - The group gets a welcome cocktail reception, each room in the group gets
 (1) 5x7 group photo, and 1 night where they will get a hosted dinner
 - Contract group: consists of over 25 rooms
 - Only one agent may be on the contract group
 - Requires a 10% deposit when booking
