

Amawaterways Cancellation Policy

Cancellation policies are subject to change. Please be sure to familiarize yourself with the cancellation policies prior to booking clients. This is just a summary of the cancellation policy. Please visit the supplier website on the full cancellation policy as well as the terms and conditions

To view the Amawaterways cancellation policy you will log into the Amawaterways website. From there you will scroll to the bottom of the page and click on “terms & conditions.” From there you will select “booking and sale terms & conditions”.

The cancellation penalties depend on when the cruise was booked, if there was an airfare component, what class the air component was booked, and if there were any charges (with the exception of travel insurance). The penalties may also depend on what itinerary is being cancelled. Group cancellation policies may differ. Refer to the group contract for group cancellation policies.
