

The Ritz Carlton Collection Cancellation Policy

Cancellation policies are subject to change. Please be sure to familiarize yourself with the cancellation policies prior to booking clients. This is just a summary of the cancellation policy. Please visit the supplier website on the full cancellation policy as well as the terms and conditions

In order to view the cancellation policy for the Ritz Carlton Collection, you will first want to make sure you have created an account with them. Once you have an active account, you will log in and scroll to the bottom of the page. From where you will click on “booking terms & conditions.”

Pay particular attention to the cancellation policy as this is not the normal cancellation policy that you see with our other cruise lines. This one starts at cancellations for a year out and may be subject to a cancellation fee based on how far out the cruise is cancelled. Air cancellation is subject to their own terms and conditions. Pre/Post Hotel/Transfer cancellations are subject to cancellation fees dependent on when they are cancelled. Shore cancellations will depend on the category booked. Groups are subject to their own terms and conditions. Refer to the group contract for the cancellation policy.
